

Long-term partners,
Know-How & Commitment

Regulatory Approvals in Europe

Our team at LKC is dynamic and forward thinking with scientific know how in diverse areas of biology, agronomy, toxicology, residues, environmental sciences, mathematical modeling and chemistry.

Supporting our clients with:

- Development and Regulatory Strategies
- Project Management and Study Monitoring
- Risk Assessments and Multi-site GLP Studies Management
- Preparation of Registration Dossiers
- Dialogue with Authorities
- Business and Marketing support

We offer experience and strategic advice to clients who seek to progress successfully within the EU regulatory framework for:

Biocides

Crop Protection

Chemicals and REACH

Veterinary Medicines

Human Pharmaceuticals

We provide independent registration and development management services to the specialty chemicals industry with a focus on Europe.

**If you are looking for expert support in the regulatory sector,
please contact LKC@lkc-ltd.com**
